Damage to Equipment Policy.

In the event of damage being caused to club equipment it must be immediately reported to the Club Captain or Head Coach and an Incident Report completed. Club equipment in this context includes any items that are owned, borrowed, or leased by the Club.

Repairs to the equipment will be estimated and paid for by the club. However, the individual crewmembers, including coxies, who were using the equipment when the damage was sustained, will be asked for an equal contribution of up to \$250 each to cover the cost of the repairs. Any additional balance will be paid for out of club funds and/or an insurance claim will be made. In a multi-boat collision all crewmembers and coxies involved will be assessed equally regardless of the damage to each individual shell.

The club members so assessed will be allowed a period of twenty-one days to make their payment to the club. Should any payment not be received by then, water privileges will be revoked for that member(s) until payment is received.

Please make cheques payable to **HANLAN BOAT CLUB** and remit payment along with this completed and signed release waiver (see back of page) to **Cynthia Warn 172 Wineva Ave Toronto ON M4E 2T4**
